

BROWNSHOES IN ACTION COMIX

"The kind real aviators like"

By Lt. Ward Carroll

Fast-track aviators find him indispensable . . .

"Now this is borderline inside information, Commander, but I've heard rumors of a city power merger with possible tower expansion around VR-1052."

"Gee, maybe I should just run intercepts in the area or even cancel the hop!"

"No! You'll have the S.E.C. on us in a heartbeat!"

He looks like any other professional ambling toward work in the big city, but this man is special. This man is a CHUMS broker!

"My CHUMS broker says there's nothing new on any routes . . ."

"Well, my CHUMS broker is E.F. Huffer, and E.F. Huffer says . . ."

CHUMS . . .

Don't go low without 'em!
